Ovaj tradicionalni stručni skup realizuje se u aprilu 2013. godine po osmi put, nakon 7 uspešno realizovanih konferencija i u okviru Decenije akcije za bezbednost saobraćaja na putevima, 2011-2020, koju je pokrenula Generalna skupština Ujedinjenih nacija svojom rezolucijom broj 64/255, Unapređenje bezbednosti saobraćaja na putevima, od 10. maja 2010. Svetska zdravstvena organizacija je pripremila Globalni plan Decenije akcija za bezbednost saobraćaja na putevima, 2011-2020. Na 7. konferenciji, održanoj u aprilu 2012. godine učestvovalo je preko 200 domaćih i stranih stručnjaka iz oblasti bezbednosti saobraćaja.

Na 8. međunarodnoj konferenciji biće predstavljeni najnoviji radovi eminentnih stručnjaka iz Evrope, a posebno iz regiona, kao i praktična iskustva u suočavanju sa izazovima rizika u saobraćaju. Biće prikazani i rezultati tradicionalnih istraživanja rizika u saobraćaju i raspodela rizika po lokalnim zajednicama u Srbiji, ali i sličnih istraživanja iz drugih zemalja. Pažnja će biti posvećena i prikazivanju prakse primene mera i aktivnosti lokalnih zajednica, čime će se još jednom ukazati na njihov značaj i ulogu u unapređenju bezbednosti saobraćaja na putevima. Skup predstavlja priliku i za uporednu analizu različitih modela organizacije i funkcionisanja zaštitnog sistema bezbednosti saobraćaja u lokalnoj zajednici, kao i modela finansiranja aktivnosti na lokalnom nivou.

SLUŽEBNI JEZICI KONFERENCIJE

Engleski i jezici bivših jugoslovenskih republika.

Na konferenciji će se posebno izlagati:

- Radovi po pozivu
- Originalni naučni radovi
- Ostali naučni i stručni radovi
- Najbolji studentski radovi
- Prikazi praktičnih rešenja - najbolje prakse u lokalnim samoupravama
- Prezentacija opreme i usluga

Ko bi trebalo da prisutvuje ovoj Konferenciji?

Očekujemo da Konferencija doprinese u radu istraživača iz Srbije i okruženja, eksperata u bezbednosti saobraćaja, donosioca odluka, inženjera bezbednosti saobraćaja i planera, policajaca i mnogih drugih koji u svom radu koriste znanja i iskustva iz bezbednosti saobraćaja.

Kotizacija iznosi 140,00 evra i uključuje:

- Akreditaciju i prisustvo svim aktivnostima Konferencije
- Zbornik radova odnosno sažetaka i druge materijale sa Konferencije

- Koktel dobrodošlice i posluženje na pauzama
- Svečanu večeru sa muzičkim programom
- Izlet
- Sertifikat o učešću

This traditional expert meeting is to be held in April for the 8th time after 7 successfully organized conferences within the Decade of Action for Road Safety, 2011-2020, launched by the United Nations General Assembly in its resolution 64/255 of Improvement of Road Safety (A/RES/64/255, 10 May 2010.). World Health Organization has prepared a Global Plan for Decade of Action for Road Safety, 2011-2020. At the 7th Conference on Road Safety, held in April 2012, over 200 domestic and foreign experts had participated.

At the 8th International Conference "ROAD SAFETY IN LOCAL COMMUNITY" the latest works of eminent experts from Europe will be presented, especially from the region, as well as practical experiences in meeting the challenges of risk in traffic. The results of traditional researches of traffic risk will be shown and also risk distribution across local communities in Serbia, as well as similar studies from other states. Great attention will be devoted to showing the practice of implementing the measures and the activities of local communities, which will once again point out their significance and their role in improving road safety. The meeting represents an opportunity for comparative analysis of different models of organization and functioning of the road safety protective system in the local community, as well as models of funding road safety activities at the local level.

OFFICIAL LANGUAGES OF THE CONFERENCE

English and languages of the former yugoslav republics .

The conference will consist of:

- Papers by invitation
- Original research papers
- Other scientific and expert papers
- The best student papers
- The illustrations of the practical solutions - best practice in local governments
- Presentations of equipment and services

Who should attend this conference?

We expect the conference to contribute the work of researchers from Serbia and the region, road safety experts, decision makers, road safety engineers and planners, police officers and many others with an interest in road safety development.

The fee of 140,00 euros includes:

- Accreditation and admission to all conference activities
- Proceedings and other materials from the Conference
- DVD with proceedings, selected materials from previous meetings and other materials
- Meals (*strating with dinner on the 18th, ending with lunch on April 20*)
- Welcome coctail and refreshment during breaks
- Gala dinner with music
- Excursion
